TO WHOM IT MAY CONCERN

AR Architecture have recently completed the refurbishment and remodelling of two flats within a mansion block of 187 flats within West Kensington.

The process include the obtaining of licence approval from the Landlord for whom I act as surveyor.

Mr Rakita handled the entire process with professionalism and attention to detail and worked well with the contractors to minimise disturbance to other residents.

The completed apartments are excellent in terms of use of space, function, quality of workmanship and choice of finishes.

I am pleased to recommend AR Architecture for other projects of a similar nature.

Sincerely,

Charles Moss
